

## § 54.719

(f) Within 105 calendar days after the end of the audit period, but prior to discussing the audit findings with the Administrator, the independent auditor shall be instructed by the Administrator to submit a draft of the audit report to the Office of Managing Director Audit Staff.

(g) The Office of Managing Director shall review the audit findings and audit workpapers and offer its recommendations concerning the conduct of the audit or the audit findings to the independent auditor. Exceptions of the Office of Managing Director to the findings and conclusions of the independent auditor that remain unresolved shall be included in the final audit report.

(h) Within fifteen (15) calendar days after receiving the Office of Managing Director's recommendations and making any revisions to the audit report, the Administrator shall instruct the independent auditor to submit the audit report to the Administrator for its response to the audit findings. At this time the auditor also must send copies of its audit findings to the Office of Managing Director. The Administrator shall provide the independent auditor time to perform additional audit work recommended by the Office of Managing Director.

(i) Within thirty (30) calendar days after receiving the audit report, the Administrator shall respond to the audit findings and send copies of its response to the Office of Managing Director. The Administrator shall instruct the independent auditor that any reply that the independent auditor wishes to make to the Administrator's responses shall be sent to the Office of Managing Director as well as the Administrator. The Administrator's response and the independent auditor's replies shall be included in the final audit report;

(j) Within ten (10) calendar days after receiving the response of the Administrator, the independent auditor shall file with the Commission the final audit report.

(k) Based on the final audit report, the Managing Director may take any action necessary to ensure that the universal service support mechanisms operate in a manner consistent with the requirements of this part, as well
